STATE DIRECTOR

April 2018

Dear Friend,

The cost of a new home was about \$3,900. A new car was \$860. Gas was about ten cents a gallon and the cost of a postage stamp was three cents. Annual income in 1938 was approximately \$1,731. This was the cost of living back in the year when CHILD EVANGELISM FELLOWSHIP OF EASTERN PA, INC. first began in Eastern Pennsylvania. My, how things have changed over the last 80 years!

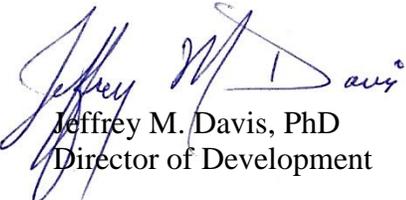

One thing, however, has not. The need of boys and girls to hear the Gospel of Jesus Christ and have an opportunity to be forgiven of their sin, reserving a place for them in heaven for all eternity, is still as urgent today as it was then. Boys and girls are just as much in need of a Saviour as they were in the early days of CEF of E. PA, Inc.! The teaching methodology, the visual aids, and the quality of instruction have improved, but the foundational truth of the Gospel and the need of this generation to respond to God's free gift of salvation still motivates and inspires our workers to ***“press toward the mark for the prize of the high calling of God” (Phil. 3:14).***

We are planning a special celebration to mark the 80th anniversary of CHILD EVANGELISM FELLOWSHIP OF EASTERN PA, INC. Please mark your calendars and reserve the date . . . November 16th. There will be a concert by Christian musician, Mr. Steve Green. While we are finalizing negotiations for the exact location and time, the date has been set by contract. Look for more information later this year, but please plan on joining us for a night of great Christian music and fellowship as we praise the Lord for His goodness to this ministry over the last 80 years. The cost is being covered by the ministry so the concert is free to the public; however, a free will offering will be taken.

80 years of *ministry!* 80 years of *blessing* from the Heavenly Father because this mission comes from the heart of God. That is where it all starts. ***“It is not the will of your Father in heaven, that one of these little ones should perish” (Matt 18:14).*** With that passage of God's Word as our rallying cry, let's gather together and thank the Lord for what has gone before and for what He will do through this ministry in the future. Blessings to you as you continue do your part to ensure the next generation will hear, learn, and obey the truth of God's Word in their lives.

His servant, and yours,
