*Doug Williams,
Executive Director
Linda Titus,
Ministry Assistant*

Happy Mother's Day to our moms. What a God-given calling, honor, & privilege! I have never had that name given to me by God's design but I do have the joy of having a God-given ministry with boys & girls that I love. The position I hold here at Child Evangelism Fellowship is a high calling that I take very seriously. I see similarities between motherhood & ministry. Let's look at just a few.

We are both committed to teaching & training the children God has given us. Moms encourage the children to live & grow as loving & responsible parts of the family. In ministry my aim is to teach the boys & girls how to be loving & responsible members of the family of God. I realize that much of this happens at home as well.

Moms also comfort, encourage, rebuke, & instruct their children when needed. I am so thankful that God's Word does the same. I can pass it on to the children so the Holy Spirit can bring it to their minds when needed.

Another similarity is the need to reach out to others for prayer, fellowship, & the meeting of needs. I am so thankful for the CEF family. You are such prayer warriors & faithful friends of the ministry. Moms need extended family. We need our CEF family. They say, "No man is an island." No ministry is an island either. We need each other to do life & serve the Lord in today's world. We need our dear Heavenly Father most of all.

There are similarities between moms & ministry. Moms, we honor you not only on your special day but always. God bless you all & God bless you dear CEF family member(s), too. We could never do what we do if not for you!

**Her children rise up and
call her blessed.
Proverbs 31:28**

Happy Mother's Day!

Prayer & Praise

Praise God with us for the children being reached this year with God's Word.

Praise the Lord for all who pray & support CEF throughout the year.

Though our regular school-year ministry wraps up the end of April, Linda will continue to teach chapel until school-year ends at Abington Christian Academy.

Give thanks for the students who came to faith in Jesus this school-year. Pray they continue to grow in their walk with Him.

Linda has been asked to participate in ACA's summer program. Please pray for wisdom, scheduling CEF 5-Day Clubs, & balancing both.

We will not be offering Camp Good News this year but Linda will be teaching 5-Day Clubs throughout Lackawanna County in July & August. This is a 1-hour Bible Club that meets for 5 Days, Monday through Friday in back yards or porches. You invite the neighbor children, family, & friends & Linda will come & teach. The hour includes a Bible lesson, Bible verse, continued missionary story, info on a missionary presently working with children across seas, songs, & activities. Please call our office if you would enjoy reaching children with the Gospel in this fun way.

Praise God that Linda had hip surgery (finally!) on Valentine's Day & is doing well. However knee surgery will be taking place at summer's end. Her left knee is in critical condition & is making walking difficult. Please pray that she will be able to reach the children with God's Word throughout the summer with minimal difficulties.

THANK YOU SO MUCH!
