Doug Williams,

Executive Director

Linda Titus,

Ministry Assistant

Have you been enjoying the changing season? Ohh, I sure have! Autumn is my very favorite time of the year. The cool, crisp air, the gorgeous colors that are everywhere you look, & the new beginning of the CEF school - year ministry. It's always exciting for me. I hope you are being blessed by it all.

Even though we are still in the midst of starting up the fall ministry, we are trusting the Lord to enable us to reach the boys & girls. We have been in the North Pocono School District since the 1940's. Sadly, we are not being allowed to have them released this year, at least not right now. I am happy to announce that Abington School District has said to get our applications in. There are 4 elementary schools in Abington. Right now, I am the only CEF teacher so I am figuring out where to start first. Please be praying that the Lord will give me wisdom. Another concern is that I will be going in for hip replacement surgery in the next few months. Please ask our Father to make a way where there seems to be no way.

For with God nothing will be impossible. Luke 1:37

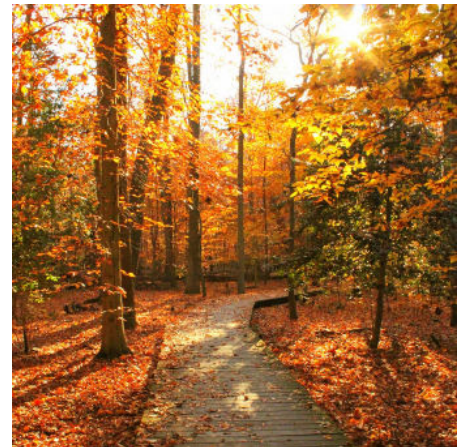

We know how much Jesus loves the children. He is calling us to pray big prayers & trust Him. This is His ministry that we are all given the joy to be a part of with Him. Your prayers & support are making all the difference in the world. Pray for teachers burdened for the souls of children & willing to join the CEF team. Training & materials are all provided. Pray for a Director to lead this vital work. Pray for the children to hear the wonderful Word of God & be changed for eternity. He wants little ones to be made new as they become part of the family.

**Therefore, if anyone is in Christ, he is a new creation:
the old has gone, the new has come! 2 Corinthians 5:17**

I'm eager to see what the Lord Jesus is going to do. It's the time of the harvest. Will you help us bring them in - the children of Lackawanna Co. who have never heard of Jesus? Christian children need to learn how to grow, as well.

**And let us not be weary in well doing: for in due season
we shall reap, if we faint not. Galatians 6:9**

Let's not grow weary in well doing. Thank you for being part of the CEF team!

Prayer & Praise

Praise the Lord for the children Linda has been teaching during weekly Chapel at Abington Christian Academy. They are such good listeners & a great blessing to be with. Pray they take to heart what they learn each week.

Thank you for praying for Linda's vehicle. It has been running very well since our last prayer letter was sent out. God is so good!

North Pocono School District has made the decision to not release their students for weekly Release-Time Bible Class. This is such a disappointment but God is able to open the doors there. Please pray they will change their minds.

Linda has an appointment December 2 with her surgeon regarding hip surgery. Please pray that surgery can be completed by year's end.

We have many needs in our county regarding staffing. Please ask the Lord to provide a dedicated & burdened director, committee, & volunteer teachers.

There are staffing needs in our CEF State Headquarters, Wyoming/Sullivan, Luzerne, Lebanon, & Snyder/Union Counties as well. Please pray for these needs.

We are in the process of getting into Abington Heights School District again. Pray we get in soon & that we get the helpers we need to reach the boys & girls there.

**O give thanks unto the Lord; for He is good:
for His mercy endureth forever. Psalm 107:1**
